

FIRE PERMIT PROCEDURES

BERLIN, VERMONT

2018

Permits may be issued by the following personnel:

Nick Garbacik	Fire Warden	223-2098	8am-9pm
Joe Staab	Asst.Fire Warden	522-7448	
Andy Lacasse	Asst.Fire Warden	229-9504	8am-9pm
Fire Station	Leave a message	223-5531	

Permits are required to burn brush, grass, leaves and branches at any time there isn't snow on the ground (Title 10 § 2645) **Town of Berlin - *Civil Ordinance Regulating the Disposal of Solid Waste Through Open Burning and Incineration***

Permits may be canceled at any time if conditions change or the fire creates a nuisance.

An individual is not required to have a permit for a campfire (any fire less than 3 foot diameter. for cooking or warming) on their own land.

Fires must be attended at all times.

Permitted fires must be out by dark unless special permission is granted.

It is illegal to burn (Sections 5-201, 202, and 203 VT Air Pollution Regulations) and permits will not be issued to burn:

trash, tires, plywood, pressure treated lumber, garbage, foam, construction or demolition debris, abandoned buildings, unless being used for a Fire Department training.

Issues concerning air pollution complaints should be referred to the Fire Warden, the Berlin Police Department, and to the State of Vermont Air Pollution Control office at 802-241-3840.
